THE FARM AT SUNRISE RANCH

Grassfed Beef in Bulk

Benefits of Buying in Bulk

Selecting this option (whole, half, split quarter) decreases costs for you and for The Farm at Sunrise Ranch. When you reserve your meat, you are actually reserving a live animal. This allows us more options about where to have it processed.

Cost

Cost is calculated based on Hanging Weight, or the weight of the carcass before being butchered into cuts. Butchering is included in the prices below. Please send the deposit with this Order Form. Remainder of balance is due upon receipt of meat.

Split Quarter Beef **$3.25 p/lb** **Deposit $100**

Includes cuts from hind and front quarter to equal ¼ of the total animal hanging weight. Approximately 150 pounds hanging weight and 90 pounds of packaged meat. Total cost per split quarter is approximately $488. Total cost per pound is approximately $5.40. (Weights vary by animal.)

Half Beef **$3.15 p/lb** **Deposit $200**

Approximately 300 pounds hanging weight and 180 pounds of packaged meat. Total cost per half beef is approximately $945. Total cost per pound is approximately $5.25. (Weights vary by animal.)

Whole Beef **$3.05 p/lb** **Deposit $300**

Approximately 600 pounds hanging weight and 360 pounds of packaged meat. Total cost per beef is approximately $1830. Total cost per pound is approximately $5.10. (Weights vary by animal.)
